Workmanship Warranty

This warranty covers against any leaks due to craftsmanship defects and any and all installation errors. This warranty also provides liability coverage for any and all property damaged as a result of workmanship errors. This warranty does not include damage to siding, gutters, roofs, leaks, or interior damage caused by lightning, gale force winds (70 mph), or damage from ice, hurricane, tornado, hailstorm, impact of foreign objects, or any “Acts of God.” This warranty does not cover unassociated cracking of the roof deck due to settlement, distortion, failure, cracking walls and or foundation of the building, or damage done by other parties prior install. This warranty does not cover distortion, cracking, or general wear and tear of the siding or gutter systems or damage done by other parties prior to install. This warranty transferrable to one additional party, if only within 90 days after all final work is completed (final day specified below).
